

Dear Composition Students,

God's Blessings to you today! I want to share some information with you in regards to Immanuel's Composition Class. We meet on Friday mornings in the school computer lab and work on composing computerized music. We also spend time writing the school theme song for the year.

Some important points to consider if you are considering whether or not to join this class:

- This class is meant for 6th – 8th grade students.
- Our first meeting will be on Friday, August 12th.
- We always meet in the computer lab.
- We meet every Friday that school is in session.
- If there is a two-hour delay, we will meet at 9:30 AM.

Class Information:

- Your success in this class is primarily driven by your work ethic.
- You will probably need to do some work outside of class.
- The [Guide in Music Composition](#) website will enable you to improve as a musician.
- Your work is something that you will be able to use for years to come.

Please let me know if you have any questions. I'm looking forward to hearing from you!
